

INFORMATIONAL SESSIONS

CAL POLY ENGINEERING ACADEMIES

Please join the College of Engineering to learn more about the new high school and middle school Cal Poly Engineering Academies, Project Lead The Way[®] and how your district and school can participate in their exciting project and problem-based learning opportunities.

A special invitation to:

- School and District Administrators
- Math, Science and Technology Instructors
- Curriculum and Instruction Specialists
- School Counselors

Thursday, March 6, 2008

10:00 a.m. to 2:00 p.m.

Cal Poly San Luis Obispo

Advanced Technology Laboratory, Keck Center (Building 007)

Morning refreshments, light lunch and campus tours will be available.
Driving, parking directions and an agenda will be provided under separate cover.

Welcome:

Dr. Warren Baker, President, Cal Poly San Luis Obispo

Presenter:

Dr. Bruce Westermo, National Affiliate Director, California
Project Lead The Way[®]
