

## Project Lead The Way® Conference

Thursday, March 6, 2008  
10:00 a.m. – 2:00 p.m.

### REGISTRATION FORM

**About the conference:** The conference will be held on the Cal Poly campus in the Advanced Technology Building (Bldg. 7). Project Lead The Way® is a national program that promotes and supports a standardized engineering and technology curriculum in the nation's middle and high schools. Cal Poly College of Engineering will host an informational conference on Thursday, March 6, 2008, from 10:00 a.m. – 2:00 p.m. in which we will discuss the Project Lead The Way® program, its benefits, how you can implement it in your school and resources available in California. We will provide morning refreshments and informational materials. A light lunch and tours will be available. There is no registration fee.

**Who should attend:** District Office Representatives, High School Counselors, High School Math and Science Teachers, and any others interested in this program.

**Registration Instructions:** Use this form to register individuals from your school or district office for the College of Engineering Project Lead The Way® Informational Conference. Please complete the form and return via email to [engineer@calpoly.edu](mailto:engineer@calpoly.edu) or fax number 805.756.1434 no later than **Friday, February 22, 2008**. Driving, parking directions and an agenda will be provided under separate cover. Please phone 805-756-1320 with any questions.
