

AEROSPACE ENTREPRENEURSHIP

Looking for opportunities to innovate in aerospace? Learn more about how to iterate, prototype, and pitch your solution for the aerospace market in a new course **AERO470** come **Fall Semester 2026**.

Participants will have the opportunity to apply for competitive seed funding to help to develop an initial prototype.

Learn more at our info sessions!

June 11th
at 5 p.m. on Zoom
