

CAL POLY
College of Engineering

DEAN'S CLUB FOR INNOVATION

DEAN'S CLUB FOR INNOVATION

Every gift over \$1,000 to the Dean's Innovation Fund will bring a variety of benefits throughout the year, and by joining the Dean's Club for Innovation you will also be enrolled as a member of the university-wide Morros Society! Even more important than the benefits, being a member of the Dean's Club for Innovation and Morros Society means you have a direct impact on the success of Cal Poly Engineering.

DEAN'S CLUB FOR INNOVATION BENEFITS

As a champion of the Dean's Club for Innovation you will receive exclusive member benefits including:

- A welcome letter from Dean Amy Fleischer along with a club membership pin.
- Invitations to College of Engineering events with an opportunity to meet Dean Fleischer and interact with college faculty and students.
- Exclusive communications from the college that illustrate how your support is making an impact college wide.
- Personalized fund services to make investing in Cal Poly Engineering a convenient and easy experience.
- Individual gift planning consultations to offer you and your financial advisers our expert, tax-friendly information on leaving a legacy to Cal Poly Engineering through a trust, bequest, or other planned gift.
- Your impact story featured on the College of Engineering's social media channels.

DID YOU KNOW?

Your gift could have twice the impact

Over 22,000 companies have agreed to match their employees' charitable gifts, doubling the benefits to Cal Poly programs.

To learn more, and find your employer's matching gift form on our website:
