A transformative, multidisciplinary student design competition that addresses the world's most pressing contemporary problems

This Year's Theme: Solutions for Living in a Post-COVID World

- The Change the World Challenge is open to upper class students of any major.
- Students will be formed into multidisciplinary teams of five mentored by faculty.
- Student teams develop solutions using a systems approach that balances technical concerns with social, cultural, economic, historical, political, ethical, and environmental implications.
- The competition will span all three quarters with a time commitment of approximately 4 hours per week.

PLEASE APPLY BY NOVEMBER 5, 2021
