Call for Applications

JAN 14

Deadline to apply!
Monday, January 10, 2022
11:59:59 PM CST

Summer 2022 internships, available at **multiple AFRL sites** across the US, in a **wide range of technical areas**! If you are interested in spending an exciting summer working on a hands-on project at any of our supported sites, be sure to submit an application before the deadline! **Click here for more information:** https://afrlscholars.usra.edu/scholarsprogram/
Click here to apply: https://afrlscholars.usra.edu/students

Reminder: Don't delay for letter of recommendation!

Applicants may apply at any time prior to the deadline - even without their letter of recommendation! *References can submit until the deadline, even after an application has been certified and submitted!* **Late applications cannot be accepted for any reason!**
