

**2021 – 2022
Ambassador
Application Packet**

Email completed ***and typed*** application to Engineering Ambassador's at cp.eng.amb@gmail.com by **November 13th, 2021 at 5 PM** with subject line "Application 2021"

Who are the Engineering Ambassadors?

The College of Engineering Ambassadors is an enthusiastic, knowledgeable, and high-energy team of students who actively represent the College in a visible public relations role. Ambassadors represent the College, its programs, and its students to industry representatives, alumni, parents, and prospective students on an individual and college-wide basis. In addition, Ambassadors participate in large-scale college events such as Parents' Appreciation Day, Homecoming, the College of Engineering Awards Banquet, and Open House.

Students chosen to participate as Ambassadors will enjoy opportunities to enhance their leadership, interpersonal, and public speaking skills while gaining invaluable knowledge about the University and College through close working relationships with the Dean, Department Chairs, faculty, and staff.

Minimum Applicant Requirements

Applicants who do not meet the minimum requirements below, will not be invited to continue with the recruitment process.

- Must be currently enrolled in or switching into the College of Engineering
- Must be in good academic standing, 2.5 or above overall GPA

What happens after I apply?

- After submitting an application, applicants are required to attend one of the CENG Ambassador info sessions on either Wednesday, October 20th or Wednesday, November 3rd. These info sessions will be located in Bonderson 104.
- Applicants who meet the minimum and screening requirements will be sent an invite to an Interview. **You will receive notification via email by November 13, 2021.** The interview will be short and casual.
- After the interview process, chosen applicants will be invited to participate in **3 mandatory training sessions** in the Winter Quarter that will cover information

about the college and other aspects of Engineering Ambassadors. Each **session** is about **3 hours long** and is designed to be informative and fun!

Questions

Below you will find 4 questions that will help us understand a little bit more about you. Answer honestly and to the best of your ability. Please write no more than 300 words for each question.

1. If you had a Youtube channel, what kind of videos would you create?
2. If you won a million dollars in the lottery but the money couldn't be used for selfish desires, how would you spend the money?
3. What is the role of engineers in today's society?
4. As an Engineering Ambassador, it is your role and duty to represent the College of Engineering and Cal Poly as a whole. What do you think this means on a day-to-day basis?

Priorities

Below is a list of 8 common events in a student's life, rank each from 1-8 (1 being the most important and 8 being the least important)

- Going to class
 - Hanging with friends
 - Attending a social event
 - Eating lunch
 - Sleeping
 - Clubs
 - Fitness activities
 - Calling family/friends from back home
- 

Top 10 List

Create a top 10 list of anything you want, feel free to explain your list as much or little as you want. Be creative! See the next page for an example.

Category : _____

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____

Example:

Top 10 Best Songs to Cry to:

1. Palace - Sam Smith
2. Too Good at Goodbyes - Sam Smith
3. Stone Cold - Demi Lovato
4. Happier - Ed Sheeran
5. Pray - Sam Smith
6. 1-800-273-8255 - Logic
7. Talking to the Moon - Bruno Mars
8. Supermarket Flowers - Ed Sheeran
9. Nothing Left For You - Sam Smith
10. all the kids are depressed - Jeremy Zucker

As you can see, there is a lot of Sam Smith on this list. That is because not only does Sam Smith have the voice of an absolute ANGEL, he also makes very sad songs perfect when in need of a good cry. I actually limited myself from putting more Sam Smith on this list. “Palace” is my number one because it is easily the best song to cry to. It is beautiful and heartbreaking all at once.
