

College Based Fee Proposal Discussion

ATTENTION CLUB AND IRA LEADERS

Friday, January 21 at 9:10 a.m.

Please join Dean Fleisher regarding the College Based Fee (CBF) proposal from the President's Office. The Cal Poly CBF Student Aid and Learn by Doing Plan would create a new campus-based source of financial aid and more fully fund our academic mission.

More information on the proposal will be coming soon, but this meeting will be an important way to gather input from student leaders in the College of Engineering and to answer any questions you may have.

If you cannot attend, please send a representative from your organization.
