

Engineers Week 2022

February 22 - 26

Tuesday, 2/22 - Computing Day

Women In Software and Hardware (WISH) Event (3:00pm - 4:00pm, location TBD)

More details to come soon!

ESC Engineering Trivia Night (5:00pm - 6:00pm, ATL (07-002))

Join Engineering Student Council for a trivia night with questions about a variety of disciplines in engineering. Winners will receive gift cards!

Wednesday, 2/23 - Virtual Reality Day

Cal Poly Racing Cars & Coffee (9:00am - 12:00pm, Engineering Plaza)

Cal Poly Racing is hosting a Cars and Coffee event. Free coffee will be provided alongside their 2019 Baja and Formula race cars. Swing by for some morning brew and learn more about Cal Poly Racing!

Raytheon Emerging Technologies Talk (time TBD, ATL (07-002))

Special guest speakers from Raytheon are coming to discuss emerging technologies in engineering in their presentation titled "Practical Cybersecurity: It's more than just passwords!"

SCExITE Diversity and Inclusion Discussion (5:00pm - 6:30pm, ATL (07-002))

The Society of Civil Engineers and the Institute of Transportation Engineers is hosting a joint event surrounding diversity and inclusion within civil engineering. Guest speakers will discuss social justice and equity with regard to their projects, and students will get a chance to ask questions after each speaker presentation. Food will be available after the event!

Thursday, 2/24 - Aerospace Day

CENG Department FAQ and Q&A Event (11:15am - 12:30pm, Zoom)

Join representatives from AERO, BMED, CE, CSC, ENVE, EE, IE, MFGE, ME, and SE for answers to frequently asked questions about senior project, 4+1 graduate programs, concentrations, and more! There will also be time for students to ask questions.

SENVE Booth (1:00pm - 2:00pm, Engineering Plaza)

Join the Society of Environmental Engineers at their booth to learn about choices you can make in your day-to-day life to be more sustainable and a discussion on climate change. There will be trivia and prizes!

Boeing Panel Discussion (5:00pm - 6:00pm, 192-321 and virtual)

Join the Boeing San Luis Obispo team for a panel discussion titled "Unexpected Pathways in Engineering." There will be an option to join the meeting virtually. Link will be provided as the event gets closer.

Boeing Design Challenge Capstone Discussion (6:00pm - 7:00pm, 192-321 and virtual)

Look out for the design challenge hosted by Boeing released Thursday morning! Attend the Capstone open-forum discussion with Boeing representatives to discuss the ideas you came up with for the challenge.

AIAA Trivia Night (7:00pm - 8:00pm, 192-224)

Join the American Institute of Aeronautics and Astronautics for AERO trivia night on Thursday at 7pm! Test your knowledge through four rounds of factual fun with your friends! The winning team or individual will receive a gift card.

Friday, 2/25 - Sustainability Day

CPH* Info and Cookies (11:00am - 1:00pm, Engineering Plaza)

Stop by the Cal Poly Human Space Technology and Research (CPH*) table in the Engineering Plaza to learn more about the club and their upcoming NASA challenges. There will also be free cookies!

SWE Painting Event (4:00pm - 5:00pm, lawn between Engineering IV & Bonderson)

Come join the Society of Women Engineers on Friday, February 26th from 4-5PM at the lawn in between Engineering IV and Bonderson to relax, socialize, and paint! SWE will be providing supplies, and this event is open to anyone who wants to be creative and have a fun time! Bring a towel or mat if you can! Hope to see you there!!

Saturday, 2/26

DBF RC Flying Day (9:00am - 1:00pm, 04-104 (AERO Hangar))

No experience needed! Join Design Build Fly at the Hangar, where they will then be driving over to the Educational Flight Range for a fun day of flying RC planes!
