

DO YOU WANT TO BE A PEER MENTOR?

Empowering Autistic Scholars (EAS) is an innovative new program dedicated to building an inclusive learning community of mutual empowerment and support for autistic students at Cal Poly.

EAS MENTORS ARE:

- Juniors and Seniors who are empathetic, dedicated & organized
- Team players who are proud advocates for their mentees
- Passionate about improving equity & inclusion for autistic students on campus
- Excited to work 1-on-1 with their mentee to provide academic, social, career & health/wellness supports
- Interested in conducting research with autistic students
- Available 5-10 hours a week for mentoring, professional development, and research

BENEFITS FOR MENTORS:

- **Paid** research and mentoring experience
- Professional training & development
- Development of valuable leadership, organizational & self-management skills
- Valued membership in a supportive & inclusive learning community
