

CAL POLY
College of Engineering

ENGINEERING PROJECT EXPO

*FRIDAY, MAY 27, 2022
12 P.M. — 3 P.M.
ENGINEERING PLAZA*

The **Engineering Project Expo** is an annual, spring event that celebrates student work in the Cal Poly College of Engineering. This event features over 200 individual and team projects. Project Expo is an ideal time to interact with project sponsors, faculty, and especially students who enjoy the opportunity to discuss their innovations and projects.

Stop by to check out these awesome projects!
