

OUR MISSION

To provide an excellent Learn by Doing Engineering and Computer Science education that empowers all of our students to innovate, design and create sustainable solutions to real-world challenges.

OUR VISION

The Cal Poly College of Engineering will be nationally recognized for its rapidly diversifying student population and unique, inclusive educational and applied research experiences.

OUR STRATEGIC PRIORITIES

*Fostering a Welcoming
& Supportive Environment*

*Excelling in
Teaching & Scholarship*

*Ensuring Equitable
Student Success*

*Empowering Personal
& Professional Development*

Collaboration

We build a thriving CENG community that encourages collaboration and connection both internally and externally.

Growth

We commit to the growth and development of our students, faculty, staff and college.

Diverse, Equitable, Just and Inclusive Community

We are dedicated to diversifying CENG and ensuring a just, equitable and inclusive experience for students, faculty and staff.

Excellence

We prepare students with an outstanding applied education to make a positive impact on society.
