ORDER OF THE ENGINEER

The Order of the Engineer is for graduating engineers who recognize the importance of ethics and responsibility in the engineering profession and choose to honor that through this self-selecting organization. A simple ceremony with your peers and the subsequent wearing of the Order of the Engineer ring signifies this to your engineering colleagues.
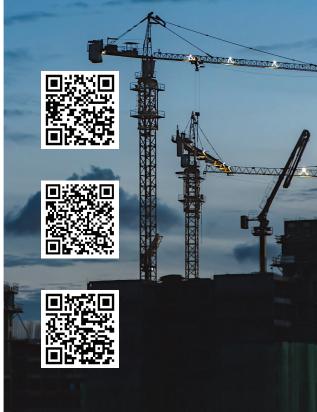

Interested in participating in the Order of the Engineer induction ceremony?

1. Check out the website

2. Review the obligation

3. Complete the form

The deadline to complete the form is November 21st

Once you complete the form, the College will order your ring and certificate. To complete the process, please bring payment to the College of Engineering Dean's Office (192-301). The cost of the ring and certificate is $12. Cash and check will be accepted (no Venmo, etc.)

Rings and certificates will be distributed during the induction ceremony. There will be two Order of the Engineer induction ceremonies coinciding with the Winter and Spring Cal Poly commencements. They will occur December 9th, at 1pm and June 16th at 1pm in the ATL. These dates and times are subject to change.
