

## "COFFEE AND DONUTS AND CENG CLUB FAIR" with Engineering Student Council

Tuesday, February 21

Dexter Lawn @ 11:00 am - 12:00 pm

Come learn about many of the clubs affiliated with the College of Engineering while enjoying some coffee and donuts!

---

## "LEARNING FROM FAILURE: ESSENTIAL FOR ENGINEERING"

**Presenter: Dr. Amanda Johnston**

Wednesday, February 22

ATL (Building 007) @ 11:00 am - 12:00 pm

This presentation will facilitate discussion for students and instructors to use learning from failure in and out of the classroom

## "CARS AND COFFEE" with Cal Poly Racing

Wednesday, February 22

Bonderson Plaza (outside 192)

@ 3:30 pm - 5:00 pm

Cal Poly Racing will have the Formula and Baja cars on display as well as some coffee!

## "THUMB MOLDING WORKSHOP" with EMPOWER

Wednesday, February 22

Bonderson Plaza (outside 192)

@ 3:30 pm - 5:00 pm

Create a replica of your own thumb following a similar process used for amputees when they need to be fitted for a prosthetic limb.

## "LASER CUTTER WORKSHOP" with Innovation Sandbox

Wednesday, February 22

Building 192-330 @ 3:30 pm - 5:00 pm

Create a custom coaster using the power of lasers! Students will learn how to laser engrave an image of their choosing onto a cork coaster. No experience or equipment required, computer with adobe illustrator optional for students who want to learn more.

## "MORRO BAY WIND FARM and TRIVIA" with Cal Poly Wind Power

Wednesday, February 22

ATL (Building 007) @ 5:30 pm - 6:30 pm

This will be a presentation about the upcoming Morro Bay Wind Farm and the impact it will have on the SLO community. Afterwards will be a Kahoot trivia game about sustainability and renewable energy complete with prizes for the winners!

## "WOMEN IN STEM CELEBRATION" with Alpha Omega Epsilon

Wednesday, February 22

ATL (Building 007) @ 7:00 pm - 8:00 pm

Join Alpha Omega Epsilon for some fun games and treats to celebrate women in STEM!

---

## "TRIVIA GAMES" with the Women Involved in Software and Hardware club

Thursday, February 23

Building 14-249 @ 11:00 am - 12:00 pm

Join WISH club for trivia! Questions will be centered around STEM topics, women in STEM, and more! Refreshments and snacks will also be provided at this event.

## "MOVIE AND PIZZA NIGHT" with Engineering Student Council

Thursday, February 23

ATL (Building 007) @ 6:00 pm - 8:30 pm

Join us to watch "READY PLAYER ONE" and enjoy some pizza!

---

## "CE/ENVE BONFIRE" with the Society of Environmental Engineers

Friday, February 24

Grover Beach @ 4:30 pm - 7:00 pm

Join the Society of Environmental Engineers for a joint club bonfire on the beach!

---

## "SPARK YOUR CURIOSITY" with the Power and Energy Society

Saturday, February 25

ATL (Building 007) @ 10:00 am - 11:00 am

Join us for some hands-on electrical engineering fun including turning a light bulb on using circuits, building with snap circuits and experimenting with renewable energy sources.

---

## "PAPER AIRPLANE TOURNAMENT" with Design, Build, Fly and Aircraft Design and Construction Club

Saturday, February 25

ATL (Building 007) @ 11:00 am - 12:00 pm

We will be giving a short presentation on Aerospace Engineering to help improve plane designs and then will host a paper airplane competition. Come master your paper airplane skills!
