THE 2023 iCTF
DECEMBER 2-3, 2023

THE 2023 iCTF IS A CAPTURE THE FLAG (CTF) EDUCATIONAL HACKING COMPETITION THAT FOCUSES ON ARTIFICIAL INTELLIGENCE AND CYBERSECURITY

The competition has two tracks, dedicated to high school teams and undergraduate teams

Registration requires a team advisor, who has to be a teacher, lecturer, or faculty member

Rules and regulations are available
https://ictf.cs.ucsb.edu

Each team has to register at
https://ictf.cs.ucsb.edu/register

Join the discord at
https://discord.gg/p6NQz422GU

The competition is sponsored by the ACTION NSF AI Institute (http://action.ucsb.edu) and the Women In Computer Science (wics-ucsb.github.io) at UCSB.
