

# SMART 101: Application Kickoff Webinar

August 13, 2025 | 1:00-2:30 p.m. ET

## The SMART Application Is Now Open! Attend the Webinar to Strengthen Your Application

The SMART Scholarship-for-Service Program is now accepting applications. Join the SMART Program Office for an informational webinar on **August 13, 2025**, at 1:00 p.m. ET to help get you started.

Register

During the webinar, we will cover SMART Program benefits, eligibility requirements, the application process, and tips for a strong application, followed by a live Q&A session.

To register for the webinar directly visit:

Funded by the U.S. Department of Defense, the SMART Scholarship-for-Service Program supports the next generation of STEM leaders. SMART offers full tuition, annual stipends, summer internships, and a direct path to civilian employment with the Department of Defense for students earning bachelor's, master's, or doctoral degrees in STEM.

Apply Now

For more information on the SMART Scholarship-for-Service Program, visit [www.smartscholarship.org](http://www.smartscholarship.org).

The application is open annually from August to the first Friday in December.
