APPLICATION OPENS **AUGUST 1, 2025** 

Are you looking for a summer internship to boost your future career opportunities? Join NNSA-MSIIP! **Internships begin on** June 1, 2026.

#### OPTIMIZE

The NNSA is a semi-autonomous agency within the Department of Energy. We use modern technology to bring solutions to the current challenges faced by the nuclear security enterprise, like research, infrastructure, threats to public safety, and more.

MSIIP participants will develop the expertise needed to "jump-start" their careers and potential for future opportunities within the nuclear security enterprise. Interns will be mentored by experienced staff, researchers, and scientists to develop professional skills and enhance leadership capabilities.
